THRISSUR DISTRICT LABOUR CONTRACT CO-OPERATIVE SOCIETY

About Us:

TDLCCS, Thrissur District Labour Contract Co-Operative Society was launched to present an impeccable infrastructure for the future, which blend with cultural and social aspects in order to build a strong and organized society. TDLCCS enriches social values and to eliminate the obstacles prevailing. We aim in developing a co-operative environment in order to make innovative and revolutionary changes in the infrastructure of the country.

Our Vision:

To merge the social and individual expressions has envisioned us for this earnest effort. Kerala is at the historic juncture; all set to begin the new era of its progression to future. Infrastructural facilitation is to be substantially enhanced for this voyage. Still, social inertia and sceptical rust hinder it along with other obstacles. Co-operative sector brings in the remedy. It materializes social incorporation of visionaries, experts, craftsman, activists and enthusiastic entrepreneurs as the wisest and surest way to surpass the said hindrance; blending effectiveness and transparency. Moreover, it merges social and individual expressions and dividends. This has envisioned us in noble mind for this earnest effort.

FOOTSTEPS OF INNOVATIVE CONSTRUCTION PRACTICES

Gone are those days of troublesome & costly construction practices, we gladly introduce & effectively plant the precast and prefab building technique.

The construction methodology not only save **MONEY AND TIME** but also provide more **Carpet Area** in turn to get the feel of spacious interiors.
